

• Invitation to Tokyo

Nowadays, we are living in a transitional era in the field of cartography. With the latest technology, maps are not only for professionals to study and explore, but are widely used among the general public. Japan, with the uniqueness of the use of maps and the cutting edge technology in mapping, would surely offer every delegate a new and fruitful experience during the Conference.

The Conference venue will be the National Museum of Emerging Science and Innovation, located in the beautiful Tokyo bay area. The area is where some of the main facilities of the 2020 Olympic and Paralympic Games will be located, sure to be some of the most attractive spots in Tokyo. The Museum is equipped with excellent space for our conference sessions, map exhibition and technical exhibition.

Greater Tokyo, although a metropolis with over 37 million citizens, is known to be the one of the safest cities in the world. The City has various charms to visit and experience, from historical monuments to museums to theatres. Shopping in large department stores as well as small shops on the tiny streets is another enjoyable moment. Tokyo is also known for its gourmet, with over 100,000 restaurants the most Michelin stars in the world. The proposed date of the Conference is July, which will be just after the end of the rainy season, and summer in the northern hemisphere.

I look forward to welcoming you all to Tokyo for ICC 2019 to share significant scientific findings as well as cultural experiences. I am confident that you will all enjoy the Japanese hospitality in Tokyo.

Sincerely,

Takashi MORITA
LOC President

• Important Dates

Papers

Call for papers opens	31-Aug-18
Submission of full papers for <i>Advances</i>	5-Dec-18
Submission of abstracts for <i>Abstracts</i> and <i>Proceedings</i>	19-Dec-18
Notification of acceptance	20-Feb-19
Submission of final manuscripts for <i>Proceedings</i> and <i>Advances</i>	3-Apr-19

Exhibition

Submission interface for International Cartographic Exhibition opens	12-Dec-18
Submission interface for International Cartographic Exhibition closes	6-Mar-19

Registration

Conference registration deadline for presenters/authors	3-Apr-19
---	----------

• Registration fee

	On or before 3-Apr-19	After 3-Apr-19
Full	JPY 65,000	JPY 75,000
Student	JPY 35,000	JPY 40,000
Developing countries	JPY 35,000	JPY 40,000
Senior	JPY 50,000	JPY 60,000
Accompanying person	JPY 20,000	JPY 25,000
One-day	JPY 40,000	JPY 45,000

Evening		Opening Ceremony ICA Awards	Opening Reception	Young Cartographers Social Gathering		Gala Dinner	

• Conference Topics and Paper Themes

T01 Art and Cartography	T15 Map Projections
T02 Atlases	T16 Maps and Graphics for Blind and Partially Sighted People
T03 Cartographic Heritage into the Digital	T17 Maps and the Internet
T04 Cartography and Children	T18 Mountain Cartography
T05 Cartography in Early Warning and Crisis Management	T19 Open Source Geospatial Technologies
T06 Cognitive Issues in Geographic Information Visualization	T20 Planetary Cartography
T07 Education and Training	T21 SDI and Standards
T08 Generalisation and Multiple Representation	T22 Sensor-driven Mapping
T09 Geospatial Analysis and Modeling	T23 Topographic Mapping
T10 GI for Sustainability	T24 Toponymy
T11 History of Cartography	T25 Ubiquitous Mapping
T12 Location Based Services	T26 Use, User and Usability Issues
T13 Map Design	T27 Visual Analytics
T14 Map Production and Geoinformation Management	

* Other topics will be added.

• Paper submission

The Organizing Committee of ICC2019 invites all interested participants to submit full papers or abstracts for the oral or poster presentations. All submissions will be reviewed by the International Scientific Committee.

All accepted submissions will be published as the *Advances in Cartography and GIScience of the ICA*, *Proceedings of the ICA*, or *Abstracts of the ICA*. A few selected papers will be published on the *International Journal of Cartography*.

• Social activities and technical visits

An extensive list of cultural activities is planned for delegates and companions, including technical visit to cartographic organizations, libraries and museums, as well as several tours in Tokyo and neighboring cities.

Coffee breaks and ice-breaker cocktail are included in the registration fee. We will also have a Gala dinner at *Happo-en* restaurant that has a traditional Japanese garden and other social events are under consideration.

• Accommodations and tours

Tokyo provides a variety of accommodation choices. The conference venue is surrounded with more than 3000 rooms within a walking distance. An official travel agency will be appointed to assist you with hotel reservation, technical visits and post-conference tours.

• Sponsorship opportunities

If your company/organization wants to support ICC2019 or participate in the Commercial Exhibition, please contact the Conference Secretary.
